

# LEWISTON PUBLIC SCHOOLS

36 Oak Street ▪ Lewiston, Maine 04240 ▪ (207) 795-4100

## **Lewiston Pre-K Registration and Lottery**

For the third consecutive year, Lewiston will hold a lottery for the Pre-K program. The Pre-K program is a half-day program that runs Monday through Thursday and will have 14 children in each session. Because of a limited number of spaces in the program, we are unable to accommodate all of the children whose parents have expressed an interest in the program.

The lottery for Lewiston's Pre-K program at Farwell, Geiger and Montello Schools will take place on Wednesday, June 10 at the Dingley Building at 36 Oak Street at 4:00 PM. The Farwell program will include students from Farwell and Martel district. The Montello program will include students from Montello and McMahan districts. Only Geiger students will attend the Geiger program. Although the lottery will be held in a public forum, a child will not be excluded if parents are unable to attend the lottery. To be eligible for the lottery a child's fourth birthday must be between October 16, 2008 and October 15, 2009.

To register for the lottery or for answers to questions, parents should call (795-4105) or email Pat Kordalski ([pkordalski@lewistonpublicschools.org](mailto:pkordalski@lewistonpublicschools.org)) or Jeanie Giroux ([jgiroux@lewistonpublicschools.org](mailto:jgiroux@lewistonpublicschools.org)). Parents should include the child's name, date of birth, address, phone number, parents' or guardians' names and child care address if applicable. Children will be selected based on their home or daycare address. Children not selected for the lottery will be placed on a wait list in the order in which their names are drawn in the lottery.

On Thursday, June 11, all parents will be contacted and those whose children were drawn for the lottery will be asked to attend a Pre-K registration held on Monday, June 15 at the Dingley Building.
